The following is an Examiner's Statement of Reasons for Allowance:

The claims are allowable over the prior art for at least the reason that the prior art fails to reasonably teach or suggest placing an ionizing radiation-curable resin between the transparent plastic film and the molding tool; applying an ionizing radiation to the ionizing radiation-curable resin to cure the ionizing radiation-curable resin and to adhere the resin to the cured product of the ionizing radiation-curable transparent plastic film, thereby forming an antiglare layer having fine concaves and convexes on its surface; and layer separating the transparent plastic film formed thereon from the molding tool, with the antiglare as set forth in the claimed combination.

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably **accompany** the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
